The Club has reviewed its hot weather policy. If the temperature at beginning of the day is forecast 33-36 degrees, all classes will be at 9.00 am. If the forecast is 36 and over, there will be no classes. If members are finding their dogs are suffering in the heat, they are to use their own discretion and leave the class. Water is always provided and classes conducted in the shade where possible.

AGM

As you may be aware, the Club's AGM was held on Sunday, 27 October 2019.

During this meeting several Committee positions were up for re-election and voted on by secret ballot. The votes were counted by an independent person from outside of the Club.

Due to the results of this ballot, several volunteers tendered their resignations.

On behalf of the President, Committee and Instructors' Group, we would like to assure you the Club will continue to function as normal.

Classes will be normal for the month of November 2019.

We have organised additional instructors to fill the gaps created by these departures that will allow us to continue to assist you and your dogs.

As always, our focus will continue to be on you, our Members, to ensure that your dogs are well balanced and a welcome addition to the broader community.

Please feel free to approach any of our volunteers if you have any questions or concerns.

PORT ADELAIDE TWILIGHT PARADE

Thanks to all who dressed up their dogs and participated in the Port Adelaide Twilight Parade. Fun was had by all.

REMINDERS

- Members are reminded to pick up after their dogs.
- Closed footwear to be worn during all training sessions.
- Graduation is held on the last Sunday of the month with a Bacon & Egg breakfast.
- Free sausage sizzle every second Sunday.
- If entering the office, please remember one dog at a time.
- When possible, please support our sponsors (Pet Café, Harbourside Vet Care and Grooming with Shelley) be sure to let them know you are from PAODC.

Annual Check of Vaccinations

To keep all of our dogs and puppies safe, PAODC checks the vaccination status of all canine members on joining the club and every year thereafter.

Please show a copy of your dog's vaccination certificate at the clubroom office **each time you re-vaccinate**, so we can keep our records up to date.

It is helpful if your vet can record the "date next due" on the vaccination certificate, as some vaccines are only needed every three years. The PAODC Registrar will send reminders over the next few weeks to those whose vaccination records are out of date.
